As a reminder to the membership, we do have a couple of restrictions regarding play on Tuesdays afternoons and Wednesday mornings.

- Tuesday after 3pm is Men's time. This restriction is for the golf course and club house during dinner. Members are only permitted 1 guest after 3pm. Women are permitted at the pool.
- Wednesday morning from 8:00am to 12:30pm is reserved for the 18-Hole Women's Section. Non 18-Hole Women Section members are not permitted on the golf course during that time.

Thank you for adhering to these policies.

House and Grounds Report

By Mark Smith

For those of you who have been to the club in the last couple of weeks, you may have noticed the “clean up” of the entrance to the swimming pool.

As part of the H&G projects this year, we commissioned with North Bay Overhead Doors (member Jack Berlin’s Company) to construct new metal gates to the pool, as well as relocated them closer to the pool.

After the new gates were installed, the old (well used) wood gates and adjacent fencing was removed, resulting in a very open and much more attractive pool entrance, in our opinion.

I want to put out a huge “THANK YOU” to the H&G Committee, especially Terese Thomas for being instrumental in the planning and designs stages, PLUS to Mark Thomas, Jack Berlin (and myself) for voluntarily giving up a recent Saturday morning to remove the old gates and fencing. This would not have happened without them.

I hope the membership enjoys the new look as much as we do.

Thanks Again.

Junior Golf Report

By Christopher Gay

A big thank you goes out to the players, parents, and coaches: Mike Morgan and Scott Tucker. A special thank you goes to the membership for their support of the PG&CC Junior Golf Program.

Our 9-13 year old division came in 1st Place in the PGA Junior League for Sonoma. We are competing in regionals this month so wish us luck!

Our North Bay League Team made of some of our older kids and some of our PGA League players came in 1st place against 6 other teams. We have 3 players who are playing for individual honor in matches later this month. Matt Mokski, Scott Rocca, and Enzo Scacalosi all qualified – we wish you luck in the upcoming matches.

Yes, both teams finished in 1st place which shows the kind of top-notch program we have here at PG&CC. On August 10th we will have a trophy presentations for both teams!

Again, thank you for your support. If you have juniors interested in playing, please contact me at 707.762.1057 or email at cgay@courseco.com.

Thanks!
